

# INICIATIVA MESTNI ZBOR

Samoorganizirane četrtne in krajevne skupnosti Maribora

## PROPOSED PROGRAM OF THE PLENARY MEETING:

<b>9:00</b>	<b>Gathering and coffee</b>
<b>10:00-14:00</b>	<b>Discussions</b>  Format of the discussions: Both subjects will be opened by speakers. Presentations will take about half an hour, followed by a public discussion. We will have a short break between the discussions.
<b>14:00-15:00</b>	<b>Lunch</b> with short musical entertainment.
<b>15:00-18:00</b>	<b>Plenary assembly</b>  Format: Each participating group will make a short presentation about themselves and their activities. Then we will try to find common goals. The short-term goal is a public declaration, while the long-term goal is the creation of new networks, to reinforce the existing ones, as well as creation of inter-group connections for possible future collaboration.
<b>18:00-21:00</b>	<b>Break</b>  The reason for the prolonged break are several lectures that are taking place in Maribor at that time, and would be interesting for participants. The other reason is that Gustaf hall needs to prepare the technical means for evening events.
<b>21:00-5:00</b>	<b>The fun bit</b>  So far we have confirmed the concert of Stari pes (Old dog), hard-funk ensemble from Maribor. After the two concerts, we have options of a DJ set, or democratic Karaoke. Care-free mingle is of course important for the creation and reinforcement of informal ties, which could be even stronger than formal ones.
